In this sequel to Wallbanger, fan favorites Caroline Reynolds and Simon Parker negotiate the rollercoaster of their new relationship while house-sitting in Sausalito. Playing house was never so much fun or so confusing. With her boss on an extended honeymoon, Caroline's working crazy-long hours to keep the interior design company running, especially since she's also the lead designer for the renovation of a gorgeous old hotel. And with Simon, her hotshot photographer boyfriend, gallivanting all over the world for his job, the couple is heavy-duty into absence makes the heart grow fonder mode. No complaints about the great reunion sex, though! Then a trip back east to his childhood home has Simon questioning his nomadic lifestyle. He decides to be home more. A lot more. And he wants Caroline home more, too. Though their friends' romantic lives provide plenty of welcome distraction, eventually Caroline and Simon have to sort out their relationship. Sure, more togetherness is a good thing, but does less traveling and working have to mean the other extreme: Apple pie and picket fences. With this second book in the Cocktail series, USA TODAY bestselling author Alice Clayton delivers another delicious, frothy confection of a book, shaking up her characters, stirring in laugh-out-loud humor, and serving sizzling romance straight up! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
