The Evil Witch Sativa has reaped the Great Berry Fields of Evermore and she has stolen all of the precious Evermore berries. These precious berries are very important to the people of Evermore. They are a major staple in their diet, providing vitamins, nutrients and spiritual well being. Without them, the fate of Evermore may be doomed. That is why Larry Longbottom must valiantly lead six of his dearest friends on a perilous journey into the Sativa Mountains to retrieve these berries. Most of them have never ventured beyond the safe borders of Evermore Town. Now they must journey far into the unknown on a most dangerous expedition for the fate of Evermore. Along the way, they eagerly receive help from the legendary Micky Shroom. He gives them helpful advice and special directions through the mysterious backcountry of the Land of Evermore. It is Micky s special directions that help Larry and his friends find the Secret Road, which takes them straight to the Caspian Pass and saves them almost a whole day s journey. Larry and his friends rely on skill, valor and superb teamwork, characteristic of an Evermore. Above all, it is their love for Evermore that drives them onward through this expedition. This important expedition will forever be known as The Great Quest of Evermore.
