## NEVER IS A PROMISE

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Country music god Beau Mason has just announced his retirement from the business at age 30, and I've just scored the interview of a lifetime. My network is flying me to Kentucky for his final interview, and at his request I'll be spending a few days with him at his ranch. I should be thrilled. But I'm not. Beau and I have a history, and I haven't seen him since he obliterated my heart at the tender age of 18. I don't think I can do this. I don't think I can see him again. But I don't have a choice. My career.my promotion.my dignity. Everything rests on this one interview with the man who turns me into liquid desire and corded steel resentment all at the same time. It's just a few days, right? What's the worst that could happen? Please note: This is a stand-alone full-length romance novel with no cliff-hanger. Contains a dominating alpha male hero and scenes of a sexual nature. Please be 18+. You do not have to listen to Never Kiss a Stranger first, though it is based on a secondary character from that story and may contain minor spoilers.
