Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This premium quality large print volume includes the complete and unabridged text of H. G. Wells original science fiction classic -- The Time Machine -- an enduring and still-popular work which exerted a huge influence on the science fiction genre which continues today. This freshly edited and newly typeset edition features a generous 6 x9 page size and is printed on heavyweight 60# bright white paper with a fully laminated cover featuring an original full color design. Also included in this volume is an introductory biographical sketch discussing Wells life, work and continuing literary significance. While this tale involves the theme of time travel, Wells not only constructed an adventure story around the theme, but also delved into human nature and the role of humans in forming societies and the relationship of humans, collectively and individually, to the society in which they live. Now a common theme in the science fiction genre, this time travel tale by Wells represents one of the earliest and most influential such stories, and is credited with being the first...
