Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Im an Immigrant from S. Jorge, Azores. I came to America in 1959, I was 19 years old, married and had 4 years of grammar education. I raised 3 children who were involved in Luso and in Portuguese philharmonic band---thanks to the efforts of other immigrants who created those opportunities for them. I am also a grandmother of five grandchildren. Several years ago I felt the need to share with all the children, my childhood memories from a life so different from theirs. They have been my source of faith, courage, and inspiration. I hope my book inspires others to write their stories. If I can do it with my limited education, anybody can do it. If we wait until we acquire all the knowledge and education until we do something, well never do anything. Iyanla Vazant, is an inspiration speaker and she wrote: "It is important that we share our experiences with other people. Your story will heal you and your story will heal someone else. When you tell your story, you free yourself and give others permission to...
