CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 24 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. My husband and I have spent the last decade perfecting our version of spaghetti sauce. After trying some my co-worker asked for lessons. This book is that lesson. It is a recipe that is so versatile you can use it with just about any tomato based recipe. Now when I say spaghetti sauce, I am not talking about the basic authentic spaghetti sauce most people consider. This would be a more general tomato based sauce but its easier and quicker to say spaghetti sauce. In our house, thats what this is. This also contains a sample of different variations that can be made and how the left overs can be used for a wide variety of alternate meals. This is excellent for someone who is looking to make a single meal that can be turned into many more. Basically, if youre broke, this is for you. It covers the majority of your dietary needs and is hearty enough that you shouldnt be hungry later (and if you are, there should be plenty of leftovers waiting to go into your tummy). This item ships from La Vergne, TN. Paperback.
