THE RISE OF LORD DDAMON: THE SHADOW CALENDAR (PAPERBACK)

Notion Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are we alone in the Universe? We live in Multiverses, and in a mirrored world. We are oblivious to the Shadow World that exists within and among us. The Red Society is a secret institution that controls the Shadow Economy and Shadow Politics of the world since life began on Earth. The Society breached the contract with the rise of the Demi God, Lord dDamon, around three million years ago. He led the Red Society and revolted against the One Designer, Messiah and Messenger, The Lord Shiva. Shiva lives in the sixth dimension. The opening of the Third Eye technology created mass destruction. Lord dDamon was defeated and turned into a shadow that travels in space, existing only in the fourth and the fifth dimensions. The 21st Century saw the rise of the Messenger who would fight the Red Society. Aadi is the prophesized Shadow Prince who leads the Khoji Clan against the Red Society and stops them from making the Great Escape into the Punarcimiento, a virtual man made planet. Will Aadi get stuck in the new world where lying is the new truth? Can he outlast the illusion of Time and Religion? Can he save Mother Earth?.
