Everyone enters relationships with a unique idea of what makes connection work. But even with our differences, we have a common thread running through all of us: the deep desire to love and be loved. Based on her experiences, and with the help of her closest friends and the men in her life, author Jessica R. Bunevacz created a series of guidelines for women looking to enjoy dating and romance and avoid common pitfalls and difficulties. Whether you re dating, getting ready to walk down the aisle, or are already married and looking to take your marriage to the next level, it s profoundly important to celebrate where you are on your journey and make every day special and meaningful for yourself and those around you. Date like a Girl, Marry like a Woman incorporates Bunevacz s own stories of love, dating, and marriage with practical advice for today s modern relationship and reminds readers not to settle for anything less than the best.
