Date :2011-1-1. Mr. Zhang Zhigong has said that one-third of curricular language learning, seven extra-curricular. Practice has proved that rely on a language book is difficult to learn the language. Language learning is a long-term accumulation, profound knowledge of the process. Some students are all excellent language learning is due to extensive reading. Language curriculum for the new round of profit-oriented changes in language teaching, the practice of re-examination of light reading from the course objectives, course content, teaching suggestions, and teaching materials, teaching evaluation has clearly raised the amount of primary and secondary reading and basic reading requirements. But just stay in the beautiful vision. To truly implement the student's reading, achieve results, we also need to practice and the majority of language teachers to create. Ladder of new reading, the writers launch materials for the group members, grade teacher, language teaching and research staff, excellent front-line backbone teachers, primary and secondary students reading for the current needs and problems, in the form of theme units, carefully selected in line...
