Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1890 edition. Excerpt: .In experimenting to obviate this spreading proclivity, and at the same time to further the remedial properties of the medicament, we have settled on the following mixture and have found it to be, after six months trial, a really useful corrective: R Salicylic acid crystals--alcohol, o. s. to make saturated solution, . j Oil Eucalyptus, . 5 vj The salicylic acid should be made from oil of wintergreen, and by some such reliable makers as the William S. Merrell Chemical Co., of Cincinnati, Ohio. The salicylic-eucalyptus preparation is best applied to pyorrhoea pockets by a wisp of cotton wound on a flexible broach. It does not spread, is agreeable to the patient, and is efficient in its results. A CASE is related of a woman aged ninety-eight, a resident of Anglesey, (Wales), who recently cut three new teeth. It appears that the eruption of...
