Excerpt from *The History of England, Vol. 10: From the Invasion of Julius Caesar to the Revolution in 1688, Embellished With Engravings on Copper and Wood, From Original Designs* The Revolution forms a new epoch in the constitution. By deciding many important questions in favour of liberty, and still more by that great precedent of deposing one king, and establishing a new family, it gave such an ascendant to popular principles as had put the nature of the English constitution beyond all controversy. And it may justly be affirmed, without any danger of exaggeration, that we, in this island, have ever since enjoyed, if not the best system of government, at least the most entire system of liberty, that was ever known among mankind.
