## 11+ Maths Multiple Choice Practice Papers: Pack 1

By Eleven Plus Exams, Educational Experts

The University of Buckingham Press, United Kingdom, 2012. Loose-leaf. Book Condition: New. 298 x 220 mm. Language: English . Brand New Book. The First Past the Post series marks an important departure from what is already on the market. Apart from the undoubted quality, and quantity, of the questions and answers formulated by ElevenPlusExams, the largest UK on-line 11+ resource , the essential thing that differentiates these papers from others is that the student is able to go online with a unique-to-them code. This enables them to take the test in proper exam conditions and get a full evaluation and assessment and bespoke feedback on what they need to strengthen. Crucially, it gives them the vital benchmark on how they compare with their peers, as this is the only way they can truly know where they stand. It also gives them a measure on how they performed against the pass percentage of their chosen school in the previous year. These practice papers are best used as real exam practice to benchmark your child s performance in readiness for the actual exams while also using the ElevenPlusExams on-line service for identifying areas for improvement and importantly, gauging relative peer performance. They...
