Janik Press, United States, 2012. Paperback. Book Condition: New. 212 x 140 mm. Language: English Brand New Book ***** Print on Demand *****.Thirteen-year-old Dexter Quigly's mind has just been blown like a chemistry project gone horribly wrong. He's always lived life by the simple laws of logic and rationale, but now that a raven from his dreams is sitting on the windowsill, those laws no longer seem to apply. The raven leads him to a stone covered in ancient symbols, and the Native American hieroglyphs catapult Dexter into a code-breaking treasure hunt that tells a history of the world far from that described in his history books. He discovers a tree that gives him the ability to talk to animals and learns he's the first human being to do so in over a hundred years. The clues were left by the last speaker and it seems they were left specifically for Dexter. Can he fulfill the prophecy and revive a dwindling secret society when the world needs it most? Or will the Animal Kingdom fall prey to conspirators in its most dire hour? While grounded in reality, *The Dexter Quigly Codices* takes mythology, puzzles, and alternate histories and mixes them into an unforgettable adventure that will have you riding the edge of your seat till the very end.
