## HIT ROCK BOTTOM (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: Russian . Brand New Book. When hormones and barbiturates are raging in your blood and early-summer sun is shining through a window - the world is spinning around you. You are young, there is nowhere to hurry. You love, you are loved and this passion is worth a life to you. Either your life or anybody else s. It s not about aggression, it s about being evil for good s sake. Seems so. You wish good upon everybody. Yourself first, of course. At any cost. Live fast, die young. Stagnation USSR of the 80s, a crazy gang of friends burning though life. Sex, drugs and rock-n-roll. Parties, psych ward, army service. Crazy patchwork of events, jokes, stories, anecdotes. And death, always walking nearby. Just reach out to it. This novel is a combination of cynical realism and weightless nostalgia. Memories of crazy years, few subplots - all with the irony of a bystander or the main character of the strangest evens. This is macho literature: adult language, erotic scenes, violence of everyday life. and subconscious desire of love. Reader s discretion is advised. Not for those of weak hearts or minds.
