Indian Architecture: According to Manasara-Silpasastra (Manasara Series: Vol. 2)

By Prasanna Kumar Acharya

Low Price Publications/D.K. Publishers Distributors Pvt. Ltd., New Delhi, India, 2011. Hardcover. Book Condition: New. Dust Jacket Condition: New. This volume is the second in the `manasara` series - the treatise containing knowledge and experience in Town-planning, Architecture, Sculpture etc. of ancient India. The book is the outcome of years of studious research carried out by the Author to bring this vast, but almost forgotton, treasure-house within easy reach of all.The present volume attempts to discuss `Manasara` in great details. The author has surveyed the whole gamut of Sanskrit literature from the Vedic to the Gupta periods to bring out clearly the various connotations of the word Manasara. He has provided summaries and synopses of extant texts. He has compared the important features of Manasara with those of `Vitruvius` classic for the benefit of those interested in the comparative study of architecture. He has thrown light on the age and language of Manasara.All those interested in Indian Architecture shall find this an invaluable time saver; for it encapsulates the information lying scattered in several works. Printed Pages: 275.
